Francis,
This year has been
great! I'm so glad you were
lucky enough to meet me last
year! I'm glad we had classes
together - esp. French! I hope that next year
we get to be even closer friends! Have fun
this summer & good luck in everything!
Love,
Angie

P.S. Thanks for always
listening to be when
I had problems with
"B" you gave me a lot
of good advice (I wonder
if that's why we broke up^{st.}!)
Love again,
Angie

I'm glad I got to know you this
year. You are a real friend. Even if
you are kinky sometimes, I'm tired
of writing all the old clichés so I'm not
going to. I'm sure I'm gonna see
you this summer but have fun
anyway. Remember, give the world
your best and the best will be given
in return.

See Ya!

Love Ya!

Mark,

It seems like only
yesterday that we met.
Since I don't remember
the exact day, it could
have been yesterday for
all I know. I'm sorry
we didn't have more time
together, but the fun we
have had will carry me a long
way.

Take some advice -
go out for drama.

They can use
you and your
wonderful talent.

(And I'm sen-
cere in saying that)

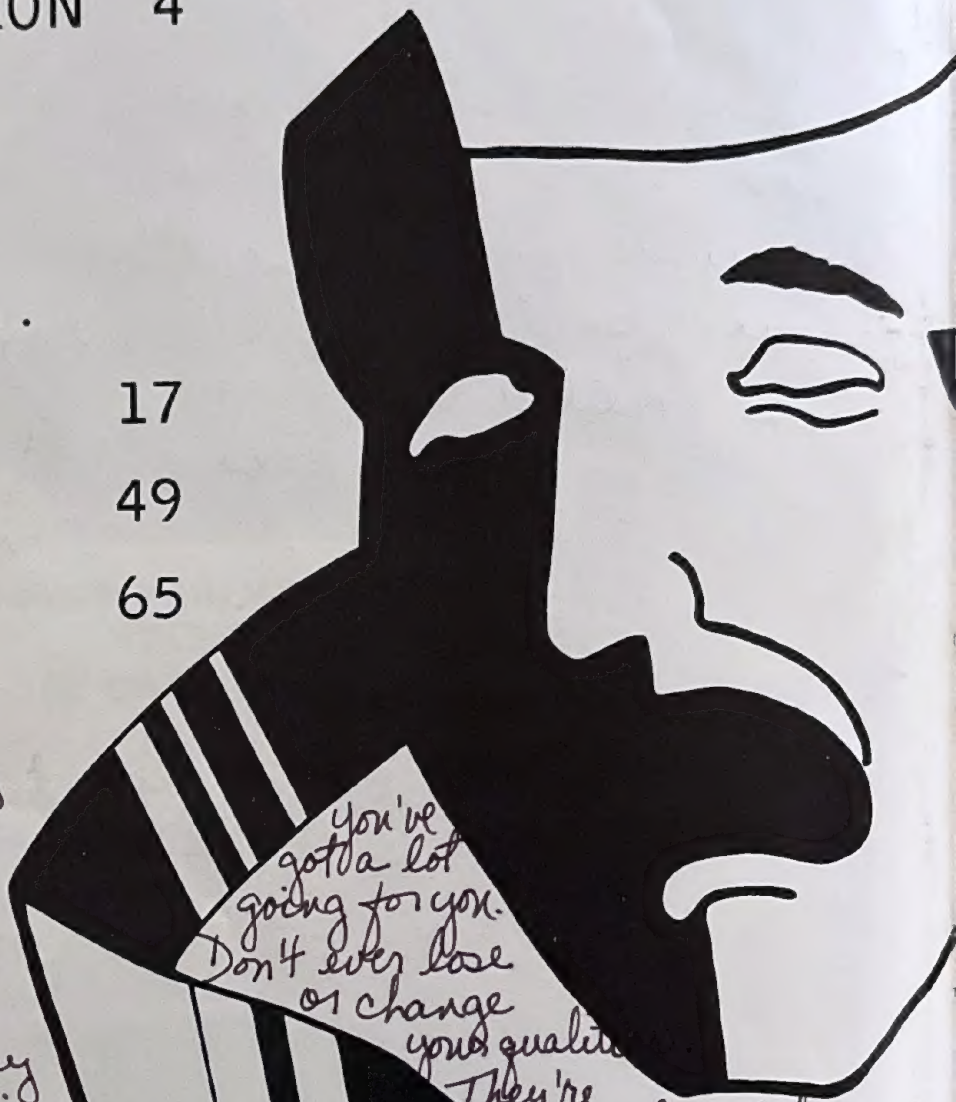

IT'S only
a stage!

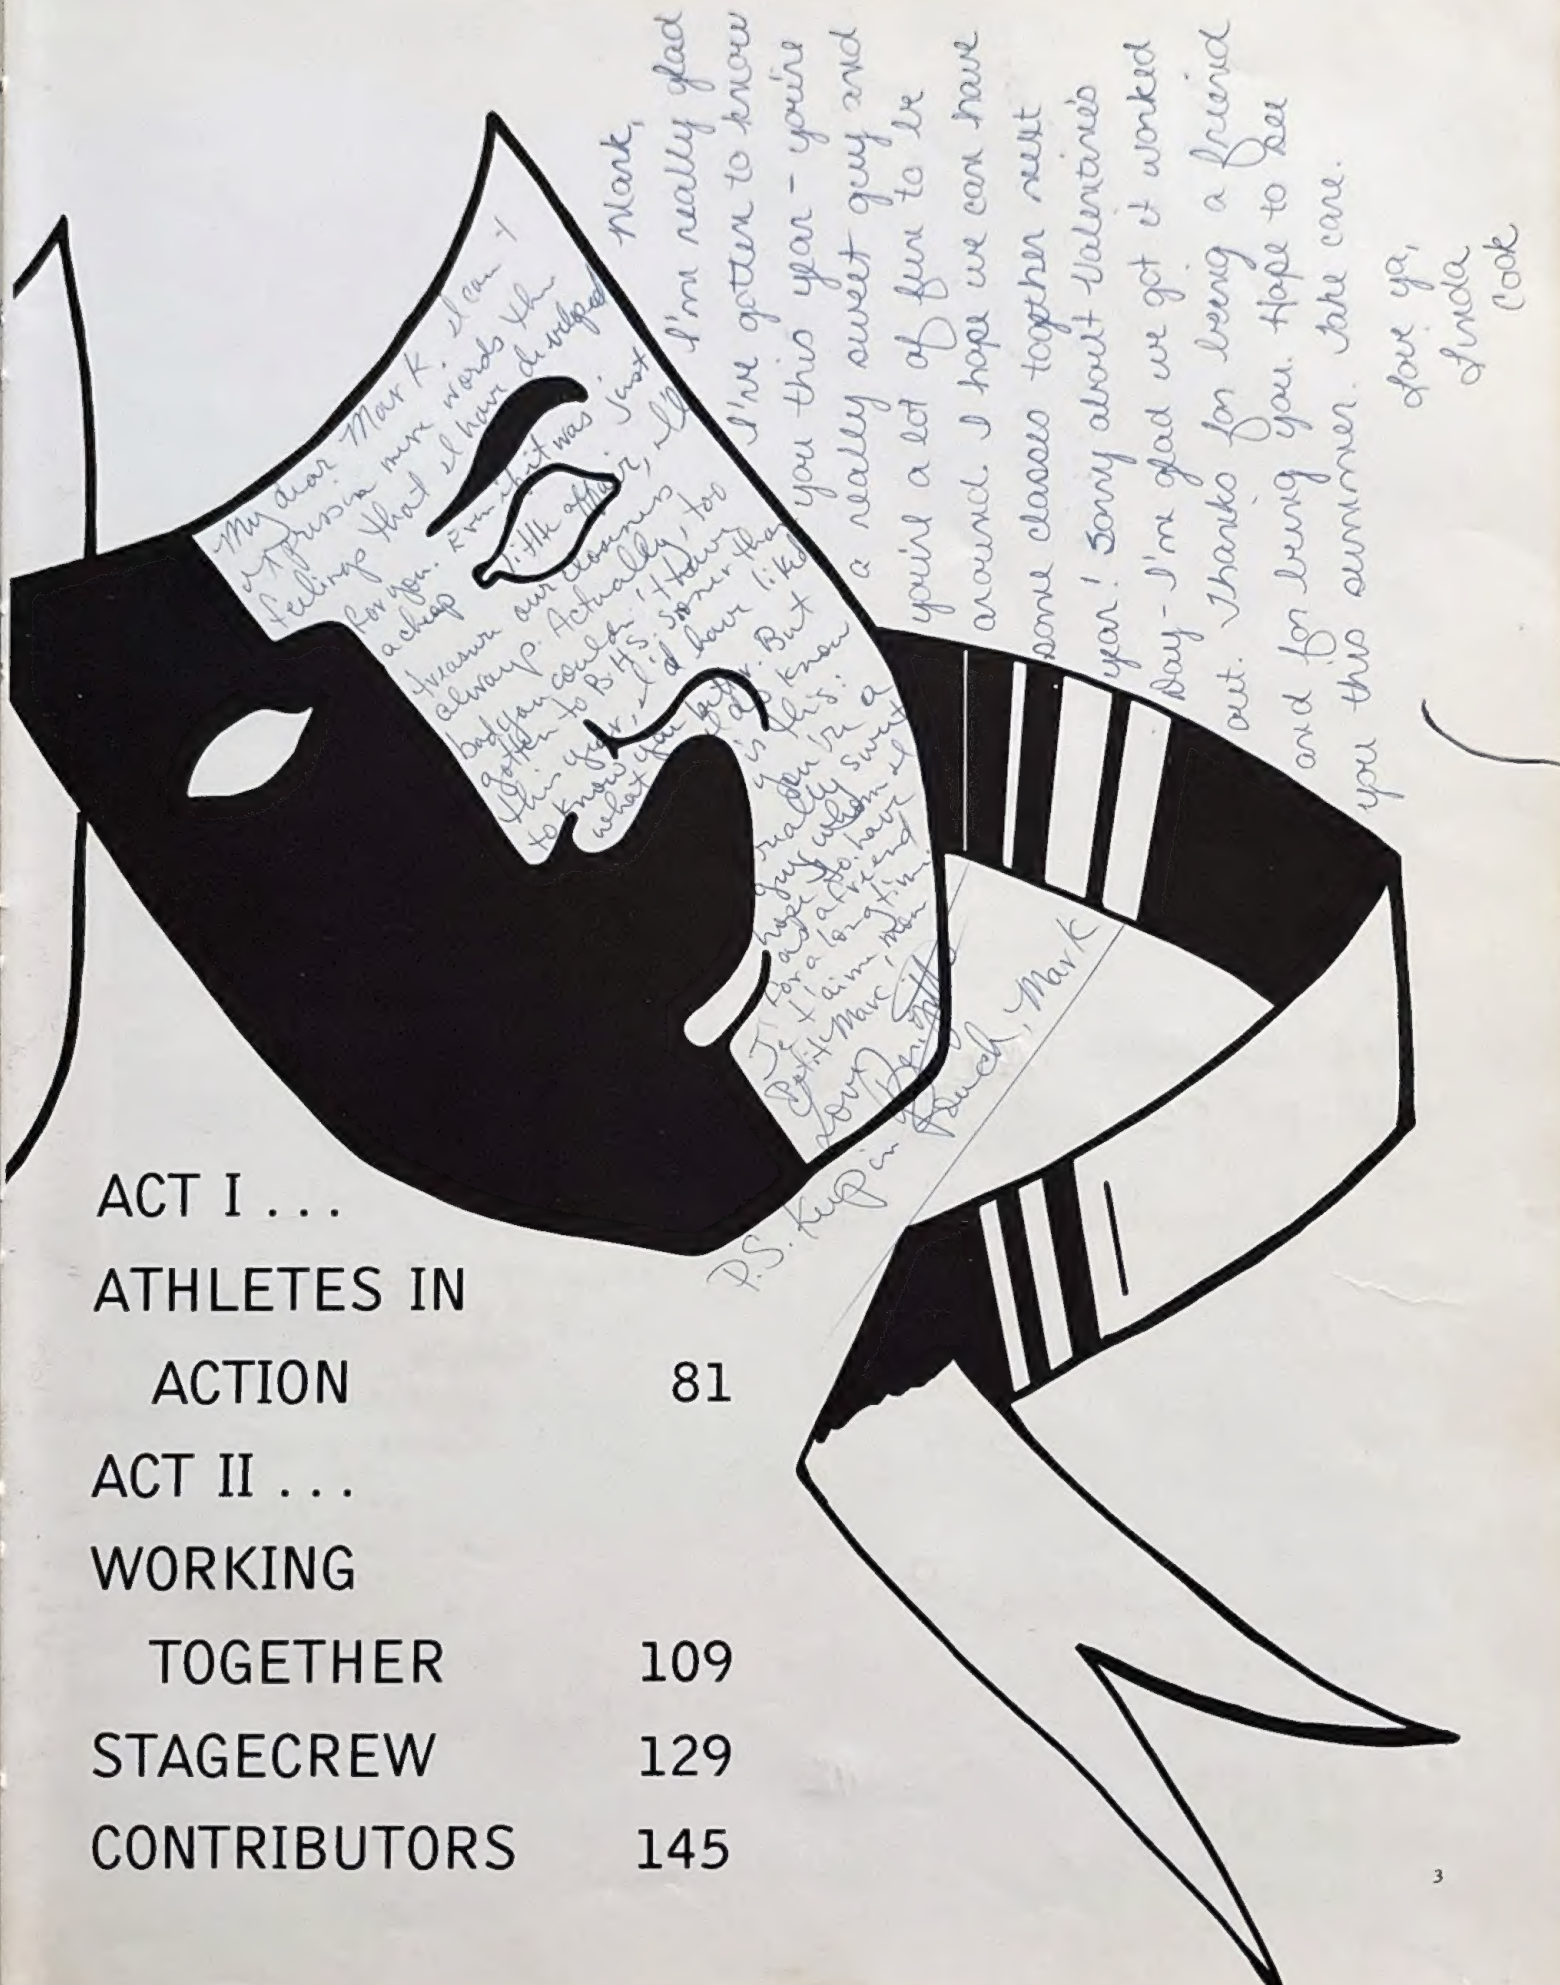

you've
got a lot
going for you.
Don't ever lose
or change
your qualities

They're
special and they make
~~them~~ you, you.

If you ever need
a date for a dance -
even if I'm a last
resort, I'll be happy
to go. (That's sincere, too)
Take care and take it far!

Love,
Ligh

My dear Mark. I can't
express in more words the
feelings that I have developed
for you. Even it was just
a cheap little affair, I
treasure our closeness
always. Actually, too
bad you couldn't have
gotten to B.H.S. sooner than
this year, I'd have liked
to know you better. But
you're a really sweet
guy whom I
hope to have
for a long time.
I aim to.
Love,
Mark

Mark,
I'm really glad
I've gotten to know
you this year - you're
a really sweet guy and
you're a lot of fun to be
around. I hope we can have
some classes together next
year! Sorry about Valentine's
day - I'm glad we got it worked
out. Thanks for being a friend
and for being you. Hope to see
you this summer. Take care.

Love ya,
Linda

DEDICATION

In 1969 approximately two hundred and fifty students began a twelve year journey which would end on June 3, 1981. The road led them around the sharp curves of slave-driving teachers, homework every night, and writers' cramp. It led them up the hills of hot spring afternoons and into the valleys of cold winter mornings. As they travelled they aspired to fill the gaps in their knowledge and to discover relationships they had not yet known. They stood in awe as they approached a newly-opened world in which there was so much left to learn. They went and tasted the fruit, and they knew disappointment, failure, and dejection. The day winds down, a year ends, the journey is over, and a life begins, as they step off this edge of the world, this last childhood's exit, into the future. In honor of the completion of this long, difficult struggle we dedicate the 1981 Legend to the Senior Class.

Mark,
This has been a great year!! You have been one great friend that I am glad I got to know this year. I hope we stay the best of friends. I also hope we have classes together again next year. Hope we get to know each other better. Stay sweet & crazy!! Good luck in everything you do!! Please keep in touch over the summer and come see me too!!

Love Ya Always,
Lisa Layfield

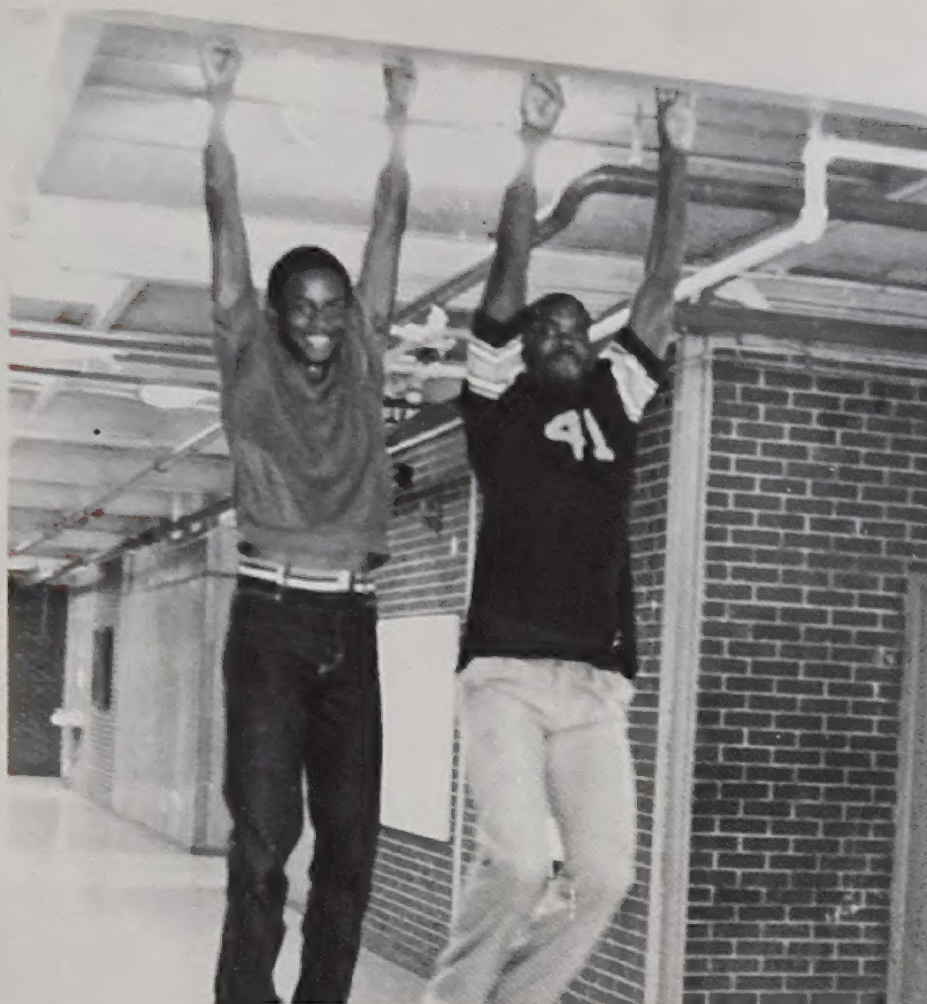

"Class of 83" THE BEST!!

In all the years it takes to grow up, we finally begin to learn people. There are so many sides to people. We all express ourselves as different characters; we allow others to see exactly what we want them to see.

We play the many roles society demands that we play. It is hard to grasp just how many parts one must play in a single day. Man's power to become any type of person is unlimited, yet he usually refuses to use these powers to their fullest extent. But when these powers are tested, he is labeled "two-faced". This is an unfair judgment; he should be labeled "many-faced" or called a "magnificent actor".

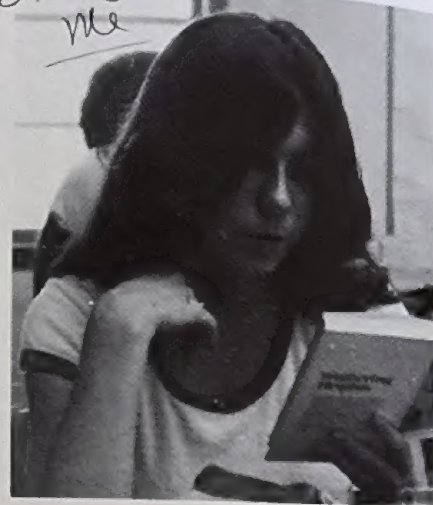

We present to you in this 1981 Legend a panorama of the "magnificent actors" who comprise our school. Each face you see here is that of an individual, but also that of a member of society. Look carefully and you will observe not only the present but also the future between the pages of this book.

Mark,
 I really enjoyed having
 French with you this year.
 You are really a great
 person to be around. I'm
 really glad I got to know
 you. Have a great summer
 and please stay in touch.
 Take care of yourself and
 be sweet. I hope I see
 you next year. Maybe we'll
 have another class together.
 C-ya. Love always,
 Cirkly

The image shows a book cover with a complex, abstract design. A large, solid black shape, resembling a stylized letter 'A' or a triangle, is centered on the cover. This black shape is surrounded by a white background that is filled with numerous thin, dark, diagonal lines that create a sense of movement and depth. In the center of the black shape, there is a white rectangular label. On this label, the word "JUNIORS" is printed in a bold, black, sans-serif font. The overall aesthetic is modern and graphic.

An abstract graphic design featuring a central white rectangle with the word "SOPHOMORES" in a bold, black, sans-serif font. The rectangle is set against a dark, irregularly shaped background. This dark shape is surrounded by a light gray area with a fine, cross-hatched texture. The entire composition is framed by a pattern of thick, dark, curved lines on a white background, resembling stylized tree trunks or branches. At the bottom, three thick, dark, diagonal lines extend downwards from the central area.

It was a hot, humid summer night when the Baldwin Braves opened their 1980-81 season. The opening of the season had been preceded by the high expectations of the coaches, principal, and the Touchdown Club. As the maroon and gold of the Hancock Bulldogs ran across the field, everyone remembered the beating we had given Hancock in the Spring game, but could the Braves do it again? However, any doubts were quickly dispelled as the Baldwin "Wild Dogs" left the Bulldogs howling for mercy. The following week Peach County also felt the power of the Braves. Then the "Wild Dogs" began to look like the old Braves as they lost four games in a row. The turning point of the season was at Wilkinson County, when the Senior leadership of the Braves decided they were going to have a winning season and came from behind to beat the Warriors. The highlight of the season was the Homecoming game. Our opponent was a very good Northeast team. However, the "Wild Dogs" were fired up and proceeded to bang up the visiting Raiders for our first Homecoming win in ten years. Fans cheered in delight and excitement as the Braves formed a caterpillar to cap off that memorable night. The last game, although sad for the departing Seniors, climaxed the season as the sixth and last victory resulted in Baldwin's first winning season in a decade.

Returning all five starters, the Baldwin Bravettes were destined for a great season. Members of the Bravettes had received numerous accolades before the season including the naming of Amanda Abrams as most valuable player at the B/C All-Star Camp. The start of the season proved that the team was deserving of all this praise. The Bravettes' game plan usually included letting their opponents get false confidence in the first half, then running away with the game during the second half. During the season they accumulated a game average 74 points to their opponents' 47 points. The Bravettes' mind-boggling ball playing continued to result in their acquiring even more honors, such as first place in the Newton County Christmas Tournament, Number 1 in Middle Georgia, and Debra Larkin being named Player of the Week by the Atlanta Constitution. As the end of the regular season neared, hopes of the Bravettes' first undefeated season began to rise, but the last game was against a very tough Northeast Raiderettes team. The Bravettes had beaten the Raiderettes at home, so the Raiderettes handed the Bravettes their revenge on a very unlucky Friday the 13th.

At the end of last season, the Baldwin Braves declared "Ain't no stoppin' us now!", and they came into this season saying, "Last year we knocked on the door, this year we're going to kick the state championship door down." The regular season of the Baldwin Braves was extremely exciting. Their first game was against a staunch rival, Hancock Central. Before a packed house the Braves "busted the clock" on the very dejected Bulldog team. Three days later they repeated the rare feat of "bustin the clock" against the Musketeers of Richmond Academy who had ruined the play-off hopes of the Braves last season. The Braves were really hot and fans followed them from Macon to Augusta to Atlanta. It was in Atlanta that the Braves suffered their first defeat at the hands of the Washington Bulldogs, but the Braves didn't let this get them down. They avenged this loss at their last home game on February 7. During the season they remained undefeated at home and acquired a record of 18-4. Three members of the team were continually listed in the Top 10 Players Middle Georgia with Malcolm Thomas usually being number one. Clarence Hall's performances earned him the rank as Player of the Week by the Atlanta Constitution and the performance of the entire team earned the Braves the rank as sub-region champions.

Both the Braves and Bravettes proved to be every bit as good as the regular season indicated, as both teams made it to the state finals. The Braves coasted to a 91-51 rout of Campbell of Smyrna to become the Class AAAA boys' state champions. The Bravettes met their match in the state finals by being edged out by Northeast of Macon 54-47.

The background is a complex abstract design. A large, dark, textured, triangular shape points downwards from the top center. From the base of this triangle, three thick, dark lines radiate outwards towards the bottom. The entire composition is set against a light background with numerous thin, grey, curved lines that sweep across the page, creating a sense of movement and depth. The overall aesthetic is modern and graphic.

Mark,

I know you want to mad at me for writing
over the page but I know you can't
live with it. I know you can't
really gonna miss that summer! And where
come see me at the pool this summer!
you're at big hot Mercer, don't go meet up with
some cute little math why (I know that would
be a great couple!) and forget about me! Well
NO MORE OF THAT!
Well, don't forget to come to
me that you've got Nancy next year. I'm sorry
I got you hopes up for a big let down!

 just like to wish you the

Mark,

Hey sweetie, ya know something?
 Well you're about the sweetest guy
 a girl could have for a friend. I only

 I already consider you as a great friend.
 Your crazyness and sweetness will
 always bring you lots and lots of friends.
 I hope whatever you are looking
 for in life comes to you. You deserve
 it. You're one of the sweetest persons
 I know. (and Mark, you are not ugly!)
